**PETITION FOR REVIVAL OF A PROVISIONAL APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)**

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The above-identified application became abandoned for failure to file a timely and proper reply to a notice or action by the Patent and Trademark Office. The date of abandonment is the day after the expiration date of the period set for reply in the notice of missing parts plus any extensions of time actually obtained. This case was transferred to the undersigned attorney from another law firm. There is no record that the required \$80.00 was ever paid. After diligent effort the undersigned attorney was unable to obtain files from the former law firm and thus contacted the Applications Branch of the USPTO. The examiner in the Application Branch informed the undersigned attorney that the subject provisional application was deemed abandoned for failure to pay the required filing fee.

The undersigned attorney was unable to determine the exact date of abandonment and there is some dispute as to whether the filing fee was actually paid. The applicants, Mr. Lon Stone and Mr. Craig Roberts stated to the undersigned attorney that they had authorized the filing fee payment and presumed that it was paid.

Therefore, any abandonment was clearly unintentional. A utility application claiming priority to the subject application is being filed along with this Petition to Revive and the applicants respectfully request that this petition be granted and their priority date preserved. To the best of the undersigned attorney's knowledge, there have not been any intervening public disclosures, offers for sale, or publications, however, the priority date may be important to the applicants should prior art under 35 U.S.C. §102 (e) surface during prosecution.
